Dance

Adjudicator: Amanda Desousa

Amanda Desousa started dancing at the age of 3 and has never stopped. She spent her dance career training under the direction of Shelley Tookey and Teresa Gibeau at Shelley's Dance Company competing and performing across Canada and the United States. She has completed her Al Gilbert Tap Exams, has earned her Junior ADAPT Syllabus Teaching Certificate and is currently working on completing her International Dance Teaching Standards certification. Amanda has been fortunate enough to adjudicate for many dance competitions and festivals as well as guest instruct dance intensives across western Canada.

At the age of 15 Amanda started teaching at a small community league in the South Edmonton area and successfully grew the program into a full dance program. Amanda's Academy of Dance opened in September 2001 and Amanda is thrilled to be entering her 21st season.

Amanda's dancers have had tremendous success in Edmonton, across Canada, and in the United States. Her dancers have performed and competed in Las Vegas, Disneyland, Disney World, New York City and most recently they made a repeat trip to Disneyland during the summer of 2018 to participate in the 15th Anniversary of Dance the Magic. Amanda's team is excited for their next adventure to Los Angeles in 2022. Many of Amanda's students have moved on to professional careers and can be seen on and off Broadway in New York City and in many plays and shows in Toronto and Vancouver. Amanda has also created an Elite Team Program at her studio which encourages her dancers to perform in and around the city for charity events as well as partake in numerous workshops and dance educational classes across North America. Her dancers are known for being strong competitive dancers and have had huge successes at both local and out of town competitions. Amanda has been recognized for over 100 choreography awards and has been awarded multiple "Choreographer of the Day" and "Choreographer of the Competition" awards. She has also been nominated for the YWCA Woman of Distinction Award.

In addition to competitive programming, Amanda has created and directs an "All Star" dance program which is designed for any dancer with a disability. So far this program has been able to welcome over 25 special needs dancers into her studio and has given these amazing kids the opportunity to dance and compete. She is excited to continue developing this program and is working hard with her staff to offer the best opportunities possible for all dancers with disabilities.

Amanda is supported by her husband Chris and her two dancers Abigail and Cadence.

Piano

Adjudicator: Lynne Dalcin

Lynne received her ARCT from the Conservatory in 2002 and operates a busy studio, teaching piano from beginner to ARCT and all levels of Theory, Harmony, and History.

Lynne was honoured in January 2017 with the award of Art Educator of the Year in Airdrie. This award is given for promoting arts and culture in the community through education. Lynne strongly believes that it is so important that children are encouraged in art and music. Additionally, she is an active member of Music Coterie in Calgary and is a founding Director of the Airdrie Rotary Festival of Performing Arts. Lynne also sings with the Airdrie Community Choir. One of Lynne's greatest pleasures in recent years is adjudicating local Festivals in Alberta.

In her free time, Lynne especially enjoys volunteering with the Airdrie Foodbank and acting as a Penguin Host at the Calgary Zoo. She also adores spending time with her five beautiful grandchildren who all live in Alberta!

Band

Adjudicator: Bill Dimmer

Bill Dimmer has been described as a “cornerstone” of Edmonton’s music scene. The structural metaphor explains his selection as an Artist/Builder in Edmonton’s Arts and Culture Hall of Fame 2014. Between his arrival in 1971 and his retirement from the Edmonton Symphony Orchestra in 2014, Bill served as a teacher, mentor, administrator, conductor, and performer, including a potential Canadian record 43 seasons as ESO assistant principal trumpet. Bill played a seminal role in creating the ESO’s educational concert series, which he was involved in for over 20 years and introduced a generation of Edmontonians to the orchestra. The ESO has been at the forefront of educational programming in North America and much of the credit is due to Bill’s talent for engaging young people – he’s been known to don eye-popping theme costumes, from green cats to aliens, to win their attention. Bill has shared his musical knowledge with countless private students, teaching at post-secondary institutions such as the University of Alberta and Grant MacEwan University, acting as clinician and adjudicator at workshops and festivals in Western Canada, and, with students at the MusiCamrose summer music camp, where he served as managing director for several years. He has performed with several groups including the Tommy Banks Band and the Plumbers Union, and is music director of the Nova Musica Concert Orchestra and has recently conducted The Edmonton Youth Orchestra, The New Edmonton Wind Symphonia and the Mill Creek Colliery Band .

A skilled pilot, he is an active air crew member and instructor with the Civil Air Search and Rescue Association. He has been known to fly colleagues to remote northern communities as part of the National Arts Centre’s music outreach clinics.

Vocal & Musical Theatre

Adjudicator: Karen Charlton

Although very tempting to list education and performing experience and teaching experience in the traditional adjudicator's bio, I'd rather you just Google me at karencharlton.org to discover that kind of information.

It has been my privilege to adjudicate 18 years of big city festivals, small town festivals, and Provincials. I am happy to use this bio space to commit to applying all my knowledge and experience to the best of my ability while adjudicating your performers - treating each individual with respect and kindness while providing constructive opinions and suggestions that are supported by practical, technical, and artistic applications.

Festivals are intended to encourage, grow, and appreciate our performers. We can all strive for creating a festival environment that emboldens exciting performances as these artists strive for the highest level of their own personal achievements.

I'd also like to express my gratitude to all the volunteers that make this festival and its invaluable performing opportunities possible.

I can't wait to celebrate this year's festival together!
